WOW! What a great convention! I am still excited. I had a wonderful time and I hope that those of you who were fortunate enough to attend enjoyed yourselves as well. Those who were unable to attend for one reason or another missed a really good show and convention. Each one of the seven TNA conventions that have been held in Fort Worth over the years have been enjoyable and are usually memorable. Who can forget the tornado, heavy rains, flooding and roof damage to the Convention Center that brought a waterfall into the bourse and exhibit areas in 1986? Yes, we had rain again this year but no flooding, no leaking roof and I saw no dampened spirits.

Before I get side-tracked I want to express my heartfelt appreciation to the members of the Fort Worth Coin Club who worked so very hard to produce a great convention. Lonnie Mears, Howard Luke, Everett Hull and Elleta Havens deserve special recognition for working exceptionally long and hard to make all of us welcome and comfortable throughout our stay in Fort Worth.

We pride ourselves on being an educational organization. We were gratified to see the increased interest in our two educational programs. Mac Kennady chaired the very well attended Latin American Coinage Panel forum. Four of the world's leading experts in that field shared the podium. The question and answer period was lively and might still be going on if we could have stayed longer. The panelists were Davis Burnett Jr., Gordon Haegelin, Clyde Hubbard and Richard Medina. The other educational program was conducted by Charles W. Nixon AIA, who is President of KVG of Fort Worth. Nixon conducted his slide program for the Bureau to acquaint the public with this new facility.

The presentation was given twice to capacity crowds. There is a great deal of interest in the construction of this high security facility that was designed specifically to print U.S. currency. It is also quite historic because it will mark the first time that the government has ever printed paper money outside of Washington D.C. since it began its operation in 1862.

I was rather disappointed by the small quantity of competitive exhibits. I was encouraged by the junior exhibits that came all the way from Houston and Sugar Land. The quality of the exhibits was quite high and I noticed that the judges took their time and were quite thorough. We are truly blessed with a few true numismatists who can be called upon to judge exhibits fairly.

FORT WORTH HOSTS TNA CONVENTION

Stormy weather did not dampen collectors' spirits ...

Fort Worth, Texas, known as COWTOWN U.S.A., and members of the Fort Worth Coin Club showered nearly 2,000 visitors with western hospitality and a few rain drops at the 32nd convention of the Texas Numismatic Association, Inc. on April 20, 21, 22. The spring event was held at the Tarrant County Convention Center in downtown Fort Worth with special activities taking place at the Hilton Hotel.

TNA celebrated its 30th year since organizing in 1960, its 32nd convention, and the nearly completed currency plant, Western Facility, of the Bureau of Engraving and Printing, the first such facility built away from Washington, D.C. The three occasions are commemorated on the 1990 TNA medal designed by Frank Galindo, medals officer. The 30-year history of TNA was highlighted in a special edition issued by the Association and distributed at the convention. A cachet, also designed by Galindo, was available.

The celebration started at 9 o'clock on Friday morning, April 20, when the Mayor of Fort Worth, Bob Bolen, snipped the ceremonial ribbon signaling the activities to begin.

Over 150 nationally known dealers were on hand for selling, buying, trading and appraising, coming from all over the United States with coins, currency, medals, tokens and other numismatic items including supplies for collectors.

"Motivation" was the theme of a talk given by Davis Burnett at the Saturday morning breakfast attended by 40 TNA governors and club representatives. Burnett offered suggestions on how to accomplish self motivation and how to motivate club members to carry to carry out special projects. Mike Greenspan, TNA 2nd vice president, was in charge of the meeting.

The Alamo Coin Club of San Antonio was named the top coin club in Texas for 1989 as 1st place winner of the Club Salute award. Stephenville Coin Club took 2nd honors and Garland Coin Club, 3rd. Honorable Mention certificates went to the Dallas Coin Club and the Golden Spread Coin Club, Inc. of Amarillo. Winners are selected from activity reports submitted at the close of each year. Austin Coin Club has sponsored the awards for the past 15 years.

Ray Whyborn was declared recipient of the VIP award for signing up the most new members during 1989. Presentation was made by E. L. Pitzer, the 1988 winner.

Winning the Best Club Newsletter award was the Gateway Coin Club "Gatepost" (San Antonio) edited by Frank Galindo. A letter of appreciation addressed to Galindo complimented him for devoting his time and talent in issuing the monthly newsletter. Also, a letter to J. P. Jones was read in appreciation

of faithfully reporting news of the Waco Coin Club to the **TNA NEWS**.

Over 50 exhibitors, TNA officers and guests convened Sunday morning for breakfast and award presentations with Mac Kennady, TNA 1st vice president, presiding.

Elected to the Texas Numismatic Hall of Fame, TNA's highst honor to members, were Frank O'Sullivan of San Antonio and the late Thomas C. Bain. E. L. Pitzer received the Lewis Reagan Memorial award for having contributed the most to Texas numismatics during past years and he was also named Outstanding TNA Governor.

Receiving the Kalvert K. Tidwell award was Ralph Ross, having submitted the best numismatic article published in the **TNA NEWS**. The title was "How I Got Started." Certificates of Honorable Mention were presented to Brent Brown, Paul Garner, Frank Clark, Al Loja and Cliff Valley.

Seymour Coin Club claimed the Col. Raymond Darrah rotating plaque for having the highest percentage of TNA members in the club. Darren Davis was presented the Emily B. Garner award for signing up the most new TNA members at the junior level. Paul Garner established this award several years ago in memory of his Mother.

An exhibit of "Dallas Coin Club Medals" won best in show for Frank Clark and a 1st place in the Medals category. Clark also won 1st in the U.S. Paper Money division. Norma Mather won 1st in U.S. Coins, followed by E. L. Pitzer, 2nd; and Anthony Fischer, 3rd.

D. O. Joplin placed 2nd in U.S Paper Money; 1st in Foreign Coins, and 2nd in Medals. Mrs. D. O Joplin won 3rd in Medals

Appreciation awards were presented to the speakers who participated in the educational forum. Making up a panel discussing Latin American coinage were Clyde Hubbard of Cuernavaca, Mexico; Davis Burnett, Gordon Haeglin and Ricardo Medina, all of San Antonio. Charles (Chuck) Nixon, presented a slide program on the BEP's new facility soon to be in operation in Fort Worth. Nixon represented the architectural firm of Kirk, Voich, Gist, Inc. of Fort Worth, designers.

Special attractions for convention visitors were exhibits by the Federal Reserve Bank, Bureau of Engraving & Printing, the U.S. Mint, the U.S. Postal Service, the Fort Worth Chamber of Commerce and the **Numismatic News**, weekly publication of Krause Publications, Inc. of Iola, Wisconsin.

The Fort Worth Coin Club's hardworking members hosted a most successful TNA convention under the guidance of Lonnie Mears Jr., general chairman, and Mac Kennady, TNA convention coordinator Special thanks to Everett Hull, bourse; Howard Luke, breakfast arrangements, awards, badges and special national exhibits, and Elleta Havens, member exhibits.

night at the Convention Center. Auctioneer was Michael R. Haynes.

As other details are released, they will be published in the **TNA NEWS**. The TNA governing board approved a site in the Dallas area for the 1992 convention.

Dear Fellow Members — Folks, the 1990 convention is now history. In case you missed seeing the publicity about it, this was TNA's 32nd convention but, more importantly, TNA observed its THIRTIETH BIRTHDAY. Can you believe it? Yes, it's true. Just as most of us were at that age, TNA is a healthy and viable organization.

You missed a fine convention if you did not attend. There were 140 dealers present from all over the country. The bourse chairman, Everett Hull of Fort Worth Coin Co., did an absolutely wonderful job of putting the bourse together. We were so fortunate to have him and his very capable colleague, Chris Keogh, to do that difficult task. Lonnie Mears, the general chairman, did an outstanding job in his capacity. Assisting him were other members of the Fort Worth Coin Club; namely: Howard Luke, special projects chairman; Bob Slocum who was the program chairman; the exhibits chairwoman was Eletta Havens; Cleo Moss served as the chairwoman of registration; and there were many other members who worked so hard behind the scenes to make this convention so very successful and well organized.

The auction, conducted by Heritage Numismatic Auctions of Dallas, was one of the convention highlights. I hope that Heritage will be with us in Houston in 1991. As usual, the exhibits attracted a lot of attention. There was a large number of exhibits done by our Junior members, many of whom came from Houston led by TNA's very capable youth chairman, Ralph Ross. Thanks Ralph, for your efforts on behalf of our Juniors.

One of the convention highlights was the Latin American Coinage Panel, which held its sessions on Friday and, again, on Saturday. The panel members were: Davis Burnett Jr. of San Antonio; Gordon Haegelin, also of San Antonio; Clyde Hubbard of Cuernavaca Mexico; and Ricardo Medina of San Antonio. I was so impressed by the knowledge of these four gentlemen and the audience must have been, also, for they asked so many questions and participated in all the dialogue. It has been a lot of years since TNA has had such well-attended educational forums. I would be remiss if I didn't mention the program conducted by Charles Nixon covering the design and construction of the B.E.P. Western Printing Facility. The convention attendees showed much interest in this program and, it too, was well attended

The Fort Worth Coin Club members did their usual magnificent job of putting on this 1990 convention. Those folks worked really hard and it showed. Thank you, F.W.C.C., for a job, "WELL DONE." I'll see you next month. In the meantime, don't forget to ask your numismatic friends to join TNA

20¢ PIECE

Why did the U.S. coin a 20¢ piece?

The Spanish influence still existed in the Southwest in the 1870's. This even extended to the coinage that was in use. Under Spanish rule the coin of the realm was the eight reales, equivalent to the U.S. dollar. Thus the one real was worth 12½¢ and the two reales a quarter. A real was commonly called a bit and the quarter was expressed as two bits. Retail prices in this section of the U.S. were quoted in bits and merchants were known to take advantage of shoppers by shortchanging them 2½¢ on a purchase. In 1875 the coining of a 20¢ piece was started. It was slightly smaller than the quarter, had an identical obverse to the quarter, while its reverse showed the American eagle similar but facing right instead of left. Naturally the coin was often mistaken for the quarter and proved most unpopular. Minting was stopped in 1878.

Rolls of tobacco were used in America as a medium of exchange as early as 1619

U. S. Postal Service representatives were on hand for mailings from the TNA convention.

Once more it is time to say goodbye — this time not only to Austin but to Texas as well. Uncle Sam has seen fit to transfer me once more — this time to Newark, New Jersey, a place I left 31 years ago. It's a promotion and a nice raise, but considering the increase in housing costs and the state income tax, the money's a wash at best. It does put me in the heart of "coin country," but I probably won't have too much money left to spend on coins or tokens despite the pay raise.

What should be apparent, though, is that I'll not be running for any TNA office next year — or for several years. I do believe, however, that I'll be back. After living in Texas for almost 15 years, it's going to be hard to adjust to any geography other than Texas. The weather and culture of the Lone Star State just happens to agree with Joanne and me. In addition, this is where our friends are. I can't begin to name all the people I've met and enjoyed all these years, especially those in TNA with whom I've established more than just a friendly relationship.

I will continue to spread the word about TNA, continue to solicit new members, and try to make both Board meetings until my term as 2nd VP is over. So, I'm planning to be in Austin for the Austin Coin Club Show and Board meeting in the fall, and I definitely will make the TNA convention in Houston in the spring. I will continue to work as hard for TNA as I've done in the past, albeit long distance, so if you have any concerns that I can handle for you, please write to me at my Austin address. My wife, who will stay in Texas until the fall, will forward my mail until I have established a new address in Yankeeland.

To those of you who have supported me in the past, I thank you for your efforts and ask that you continue to support and work with the current officers to make TNA the finest state organization in numismatics.

The amount of gold that can still be recovered from the earth is estimated at 31,250 tons, more than half of it in South Africa and 625 tons in the United States.

NCW PROCLAIMED — Members of the Clements High School Coin Club celebrated National Coin Week in Sugar Land by having the Mayor, Lee Duggan, issue a proclamation designating the celebration. Mayor Duggan presented the proclamation to Ralph Ross, club sponsor. From left to right are: Jon Bergeron, editor of the club's publication "C-3;" Anthony Fischer, Darren Davis, president; Mayor Duggan; Kathy Adams; and Ross.

Barry Boulte, a Clements club member, introduced himself in a "Letter to the Editor" appearing in "C-3":

"Hello, my name is Barry Boulte. I have been a member of C-Cubed for about half a year now and I enjoy it very much. I recently exhibited in my first show at the annual Money Show held by the Greater Houston Coin Club. It was a great learning experience for me. I know now what it takes to win and as a result I am currently planning my next exhibit for Fort Worth. I also went to a Greater Houston Coin Club meeting several weeks ago. At the meeting, I purchased a Nepal 1971 proof set, three wartime steel pennies and two 1951 quarters. I am also collecting Mercury dimes, Washington quarters, Franklin and Liberty half dollars and Jefferson nickels."

TEXAS District Meetings

DISTRICT III —

Members of the **San Angelo Coin Club** voted to not sponsor a coin show in September after a discussion held during the regular meeting held at Central National Bank Building.

Rodney L. McClintock
Governor

The auction was conducted by Luis Reyes. No program was planned due to the absence of the program chairman. Karl Plott won the door prize.

— Jack Plott, Sec.

DISTRICT V —

Jack Gregg, who visited Russia just prior to Christmas 1989, presented a display of his memorabilia and gave an account of observations and experiences, at the meeting of the **Dallas Coin Club.** Jack found Russia to be the "poorest" appearing country he had seen in his many travels. He noted that although "Red Square" was beautiful, it was depressing and unkempt. There seemed to be a tremendous "Black Market" trade which the government attempts to compete with in their Hard Currency stores where they accept any currency other than rubles or credit cards. Rubles are not legal tender in any country other than Russia, nor do they have any legal rate of exchange and they are not to be taken out of the country.

Frank Clark
Governor

Joe Barthold was winner of a proof set in a special drawing.

— Barbara de Anda, Sec.

"Coins of Colonial America" was the title of a slide show given by Ron Blaha at the **Garland Coin Club, Inc.** meeting, and then quizzed members on some of the coins used in early Colonial America. Ron said the first mint in the western hemisphere was the mint in Mexico City. The first coins issued specifically for use in an English colony were "hogge money" issued in 1616-1622 for Sommer Island, now Bermuda. Virginia was the only colony granted the right to coin money by the British Crown, making the Virgina halfpenny the only coin authorized for use in the American Colonies. Vermont issued copper coinage when it was a republic and the Fugio cent was authorized to contract coinage designed by Ben Franklin.

The members decided to contact the Boy Scouts of America in an attempt to attract new junior members and assist any Scout in obtaining his numismatic merit

badge. The auction was conducted by Frank Clark and the door prize was won by Conard Kelley.

— Jim Jeska, Sec.

DISTRICT VI —

New officers were elected to serve the **Pasadena Coin Club** and Bill Peculunas is the new president; Leonard Cass, vice president; Mike Brewer, secretary; and John Eby, treasurer. The club meets on the 2nd and 4th Monday at Hotel Concorde, Hobby Airport at 7 p.m.

Carl Fogarty
Governor

A moment of silence was held in memory of a fellow member, William (Bill) Andrews who recently passed away. Andrews was an active member and well-known in the numismatic field.

— Leonard Cass, Sec.

Charles C. Templeton was elected president of **Greater Houston Coin Club** along with Jack Daniell, vice president; Herbert Pasternak, treasurer; Spence Tucker and Al Loja, directors. Carl Fogarty is immediate past president. A secretary will be elected at a later date. The installation banquet was held at Kaplan's Restaurant.

Announcement was made that the GHCC Board had selected Spence Tucker to be sent to the 1990 ANA Summer Seminar in Colorado Springs, Colorado.

Eleven new members joined the club: William R. Sponseller, Barry Boulte, Lu R. Kleissle, Michael Wolford, Braulin Zorate, Harry Schultz, Merlin Hartdegen, Greb Kutach, Henry Davis, Ray Whyborn and Russel Kaminsky

Ouida Davis
Governor

W. F. (Bill) Bailey will head up the **Corpus Christi Coin Club**, having been elected president assisted by John Smolik, 1st vice president; Rick Robertson, 2nd vice president, Bob Evans, treasurer; and Earl Wilder, secretary. Ray Crisp is past president.

The installation service was held during a dinner party at Nolan's Steak House.

August 4 & 5 were set for the Collectors' Show, which will feature coins, stamps, sports' cards, comic books, antiques, artifacts, crafts, and many more collectibles. The show will be at the Amarillo Civic Center.

— Nela Runkle,

Jack Provost is bourse chairman, Jerry Williams and John Brown, advertising; and Kenneth Scholm and **Port Arthur Coin Club**, registration. The Port Arthur Club is co-host of the show.

Larkin presented a program on slab coins as an investment for collectors and dealers. The concept is good; protects coins, a knowledgeable second opinion; liquidity; coins become more of an investment; and a starting point for collectors.
